#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Koinonia Christian School - Red Deer Society,

#### **Opinion**

We have audited the financial statements of Koinonia Christian School - Red Deer Society, which comprise of the statement of financial position as at August 31, 2023, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements including the supplementary information in Schedules 1 through 5 present fairly, in all material respects, the financial position of Koinonia Christian School - Red Deer Society as at August 31, 2023 and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the School Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Responsibilities of Management's and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing these financial statements, management is responsible for assessing the School Society's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the School Society or to cease operations, or has no realistic alternative to do so.

Those charged with governance are responsible for overseeing the School Society's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

#### We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error, as
  fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
  internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the School Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### 1. PURPOSE OF THE ORGANIZATION

Koinonia Christian School - Red Deer Society is a local organization which is set up to run an elementary and secondary Christian school, under the guidelines of Alberta Education. The School Society allows students to pursue academic excellence as well a to develop spiritually and mentally. The Koinonia Christian School - Red Deer Society is incorporated under the Societies Act of Alberta as a not-for-profit organization and is registered as a charitable organization under the Income Tax Act. As a result, it is exempted from income taxes.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO) applied on a going concern basis.

#### **Use of Estimates**

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they became known.

Significant estimates in these financial statements include amortization of capital assets, amortization of deferred contribution relating to capital assets and prepaid expenses, the ability to collect on accounts receivable, valuation of accrued payables and deferred revenue.

#### **Financial instruments**

Financial instruments are recorded at exchange value when acquired or issued. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

The School Society's financial instruments consist of cash and cash equivalents, accounts receivables, accounts payable and accrued liabilities, long term debts, and capital lease obligation. Unless otherwise indicated, it is management's opinion that the School Society is not exposed to significant interest or credit risks arising from these financial instruments. The exchange values of these financial instruments approximate their carrying value, unless otherwise noted.

#### 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Capital assets

Capital assets are recorded at cost. Capital assets with a cost less than \$5,000 are expensed in the year of acquisition. Amortization on capital assets is recorded on the following basis:

Portable buildings 10 years straight line
Building 15 years straight line
Equipment 5 years straight line
Fence 15 years straight line
Furniture and equipment 5 years straight line
Automobile 10 years straight line
Equipment under capital lease 5 years straight line

The School Society regularly reviews its capital assets to eliminate obsolete items and determine any impairment. Government grants are treated as a reduction of capital assets cost.

#### Revenue recognition

The School Society follows the deferral method of accounting for contributions. Revenue and expenses are recorded on the accrual basis.

Tuition and registration fees are recognized as revenue as related services are provided and the amount to be received can be reasonably estimated and collection is reasonably assured.

Donations, federal and other grants, fundraising, provincial grants, and transportation are recognized in the year to which they relate.

Administrative and sundry income received for the purpose of school administration are recognized in the year to which they relate.

Academic activities related to courses and programs are recognized as revenue when such courses and programs are delivered.

Amortization of deferred contributions related to capital assets are recorded as deferred contribution liabilities and recognized into income on the same basis as amortization related to capital assets recognition.

Designated funds are recorded as deferred contributions until spent. Once spent, they are recorded to revenue on the same basis as the expenses incurred by the funds.

#### **Contributed services**

As with most charitable organizations, significant donations of time and services are received during each year. Due to the difficulties in establishing dollar values for these services, no attempt has been made to include a value for the services in the records of the School Society.

#### 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Donated property, equipment and materials

Donated property, equipment and materials are recorded at fair market value when fair value can be reasonably estimated.

#### 14. FINANCIAL RISK MANAGEMENT

#### Credit risk

Credit risk is the risk that a counter-party will default on its contractual obligations resulting in a financial loss. The School Society is exposed to credit risk on its accounts receivable and cash. Management assesses its accounts receivable on a continuous basis and makes a provision for any amounts that are not collectible through an allowance for doubtful accounts. There has been no change to credit risk exposure during the year. Cash is deposited at major commercial banks.

#### Liquidity risk

Liquidity risk is the risk that the School Society will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The School Society manages its liquidity risk by monitoring its operating cash flow requirements, and by preparing budgets and cash flow forecasts to ensure it has sufficient funds to meet its obligations. There has been no change to liquidity risk exposure during the year.
